revestimento decorativo para fachadas
revêtement décoratif pour façades
decorative facade cladding

Sistema versátil para revestimento de fachadas, de simples e rápida execução. Consoante o perfil de capa aplicado, o resultado final pode ter diversas aparências, dotando as fachadas de um visual mais tradicional ou mais arrojado. Este sistema foi desenvolvido de modo a permitir a compatibilização com o revestimento em painel composto possibilitando assim uma infinidade de soluções.

Versatile system for cladding facades, simple and quick to install. Depending on the cover profile to be applied, the final result features different looks, giving the façades a more traditional or a bolder design. This system was developed to allow the compatibility with the composite panel cladding, thus enabling an infinite number of solutions.

Système versatile de revêtement de façades, simple et rapide à installer. En fonction du capot de revêtement appliqué, le résultat final présente des apparences différentes, donnant aux façades un aspect plus traditionnel ou plus audacieux. Ce système a été développé pour permettre la compatibilité avec le revêtement en panneau composite, permettant ainsi un nombre infini de solutions.

Capas decorativas - Aplicadas com perfis de fixação

Decorative covers - Applied with fixing profile

Capots décoratives - Appliqués avec un profilé de fixation

Capas decorativas - Para fixação direta

Decorative covers - Direct fixing

Capots décoratives - Fixation directe

Capas SQ 15 | SQ 16
